Eastampton Business Owner or Manager:

In 2005, Eastampton Township instituted a requirement for an annual fire inspection of all Non-Life Hazard Uses within the township, to be performed by the Eastampton Fire Prevention Bureau. The township adopted a registration fee schedule to fund the resources necessary to implement the inspections and improve fire safety within the township. The fee schedule is as follows:

**Non- Life Hazard Use types and fee schedule:**

**(1) Use types shall be classified as follows:**

<u>Use Type</u>	<u>Abbreviation</u>
Places of Assembly	(A)
Business	(B)
Educational	(E)
Factory & Industrial	(F)
High Hazard	(H)
Institutional	(I)
Mercantile	(M)
Storage	(S)
Utility & Miscellaneous	(U)

**(2) The annual fee for each type listed above shall be based on building size as follows:**

- (a) Five hundred (500) to one thousand (1,000) square feet: **Thirty Five Dollars (\$35.00)**
- (b) One thousand (1,000) to five thousand (5,000) square feet: **Sixty Dollars (\$60.00)**
- (c) Five thousand (5,000) to ten thousand (10,000) square feet: **One Hundred Ten Dollars (\$110.00)**
- (d) Over ten thousand (> 10,000) square feet: **One Hundred Sixty Dollars (\$160.00)**

Enclosed is your annual non-life hazard use registration fee invoice. This fee is for your annual fire inspection and registration. Also enclosed you will find an information sheet for you to provide us with your current information. Please complete this sheet and return it with your payment and a copy of the billing invoice. All payments are due no later than thirty (30) days from the date on the billing invoice. Please return your payment promptly.

If you have a fire alarm system or fire suppression system, please display a copy of the contractor's annual inspection in plain view for the Fire Inspector to see when performing your inspection.

If you have any questions please do not hesitate to contact me at (609) 518-2036.

Thank you,
